

Weekly Report

Period: 2017/4/10-2016/4/17

Reporter: Li Zongzhuang

Done

1. This week, I learned about transferlearning , and I make some examples about it. We have made a team for the competition. And for some reason we divide it into different team for convenient.
2. The second thing is I prepared for my quiz in the next week.
3. Our team make a prepare with the interview for presentation in our class. And each of us wrote a report for the class
4. I also make my homework which asked for the classes.

To do

1. I will continue practice the ability about the deeplearning. Especially the translearning. And I will learn the handling about the medical image.
2. Our team will going to practice the ability about dealing with the image which provided by Ali.
3. I will make a prepare about the examination .
